Sobre o curso

The **PRINCE2® Foundation** course will provide delegates with a detailed knowledge of the PRINCE2® methodology including the seven processes, seven themes and seven principles central to running a project using the PRINCE2® method. The successful completion of the Foundation exam will give the delegate a recognized Foundation qualification.

The Foundation level measures whether a delegate would be able to act as an informed member of a project management team using the PRINCE2® method within a project environment supporting PRINCE2®.

By the end of this course, participants will be able to:

- Learn, understand and use the most important concepts of the PRINCE2® method
- Monitor a project within the boundaries of the Project Plan
- Participate effectively in a project in accordance with the PRINCE2® method
- Describe the purpose and major content of all roles, the seven themes, the seven processes and the sub-processes, and the seven principles.
- State which management products are input to, or output from, the seven processes.
- State the main purpose, and key contents, of the major management products.
- State the relationships between processes, deliverables, roles and the management dimensions of a project.
- Pass the Foundation Exam
- Lay a firm Foundation knowledge to allow delegates to move onto Practitioner Level
- Understand the level of responsibility, authority and accountability held by those involved in the project
- Articulate the steps needed to guide the project through controlled, well-managed and visible sets of activities to achieve the desired results
